Commissioner:

Applicant respectfully petitions for correction of inventorship in the above-identified patent application by adding Christopher T. Veazey and Marios D. Demetriou as joint inventors. Through error and without deceptive intent, the added inventors were omitted in the above-identified patent application.

This petition is accompanied by the Petition Fee as prescribed by Section 1.17(i), and a statement for each of the inventors being added that the omission of their names from the original application occurred without deceptive intent on either of their parts.

The Commissioner is hereby authorized to charge any fees under 37CFR 1.16 and 1.17 which may be required by or to give effect to this paper to Deposit Account No.03-1728. Please show our docket number with any transaction to our Deposit Account.

Please address all correspondence to CHRISTIE, PARKER & HALE, LLP, P.O. Box 7068, Pasadena, CA 91109-7068

Respectfully submitted,

Commissioner:

We, Christopher T. Veazey and Marios D. Demetriou, hereby declare that:

1. We make this statement in support of the amendment under 37 CFR ' 1.497(d) to change the named inventors of the above-identified application.
2. We are co-inventors of the subject matter that appears in U.S. Patent Application No. 10/542,438.
3. The omission of our names on the originally filed application occurred without deceptive intent on either of our parts.
4. The Declaration and Power of Attorney filed in conjunction with this petition and in connection with the above-identified application correctly identifies our names as inventors.
5. This statement in support of the Amendment under 37 CFR ' 1.497(a) is being diligently made subsequent to the filing of the aforementioned Response to File Missing Requirements.

We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
